

Rail Action Group East of Scotland RAGES

**GET OUR STATIONS
BACK ON TRACK!**

Dear Minister for Transport,
I am extremely disappointed to hear that the Edinburgh-Berwick local rail service, with re-opening of stations at East Linton and Reston, may not now begin until 2018, when RAGES had advised me that this could happen by December 2016.

I am extremely concerned that the paths for this service could be lost to companies wishing to use the East Coast Main Line for Open Access.

Please advise me that our stations and our new service will be brought back on track.
