

Join RAGES – Rail Action Group, East of Scotland

RAGES is the rail users pressure group for the area between Edinburgh and Berwick-upon-Tweed, including the North Berwick service.

Our aim is to persuade the Government, both at national and local level, ScotRail, London North Eastern Railway (LNER), Arriva CrossCountry and Network Rail to improve the level of service to stations in our area and to continue the campaign to re-opening key stations such as East Linton, Reston and Haddington.

To continue putting pressure on these operators we need more members, so please join our campaign for a better train service.
